Epilogue '76

Apex, NC 27502

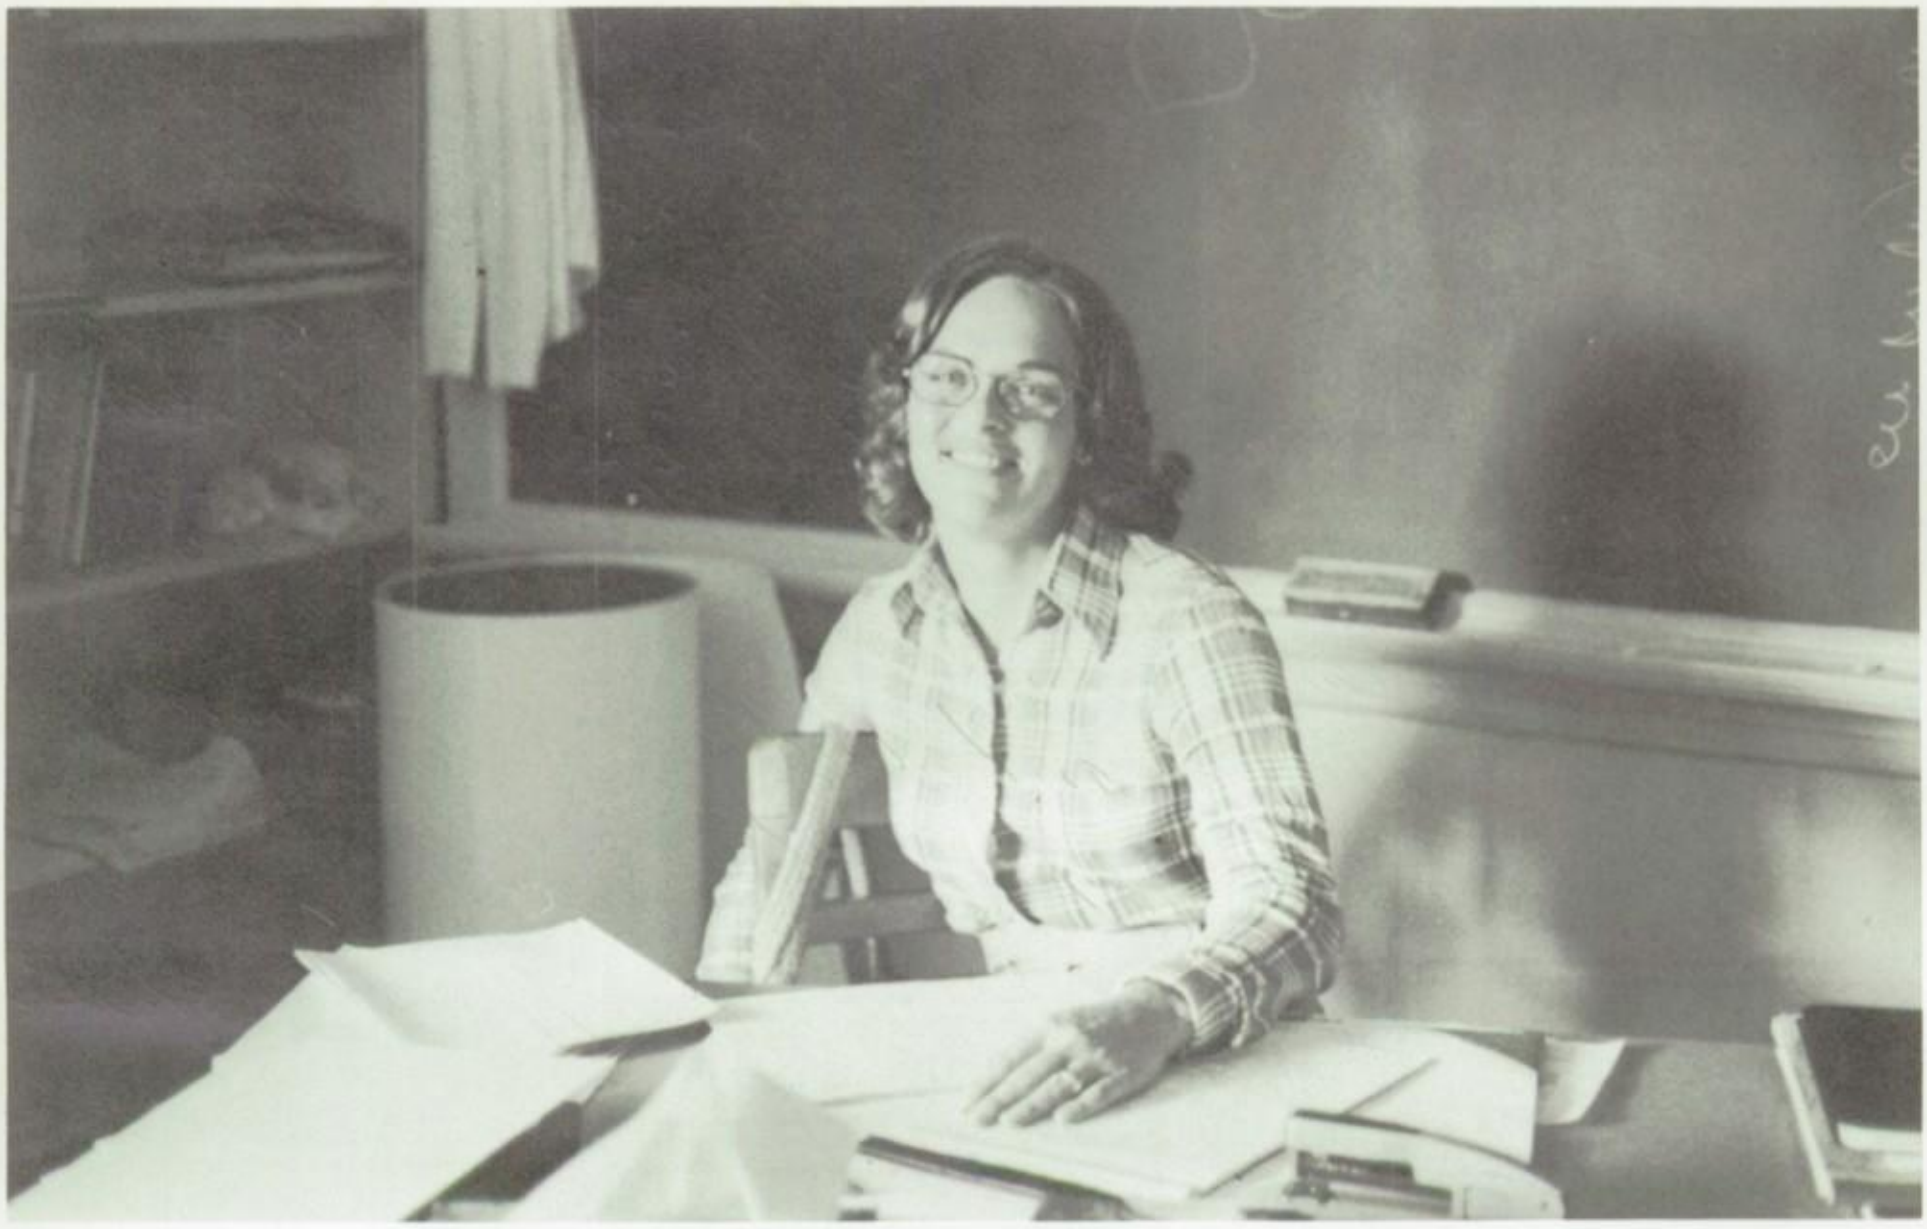
Presented by the 1975-1976
Epilogue Staff.

In Memory of . . .

David Wesley Luther

January 1, 1957 — August 10, 1975

I had a dandelion dream one day
in a meadow where everything lived on love
and everywhere there was peace and promise.
And I knew that when
the breezes blew the dandelions to the distance
They'd be sowing the earth
with peace and promise and love
. . . for every dandelion dream that dies
a thousand are sown by its seeds.



Mrs. Caroline Lupo

This teacher is one we've learned to love and respect as Juniors at Apex High. She has taught us to enjoy what we learn and to learn what we enjoy. History came to life in Room 230. We learned it and we made it. For these reasons and many more, we the 1976 graduating class of Apex High School dedicate our last Epilogue to Mrs. Caroline Lupo.

Rhonda,

You are an ideal student; one that any Teacher would enjoy working with, just as I have. Continue to do your best in all of your studies and keep that pretty smile and winsome personality. Maybe I'll have you in Shorthand next year---! (smiles).

Have a pleasant and safe summer and may God be good to you.

Love,

Miriam Horton

The deepest feeling
always shows itself
in silence.

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. As far as possible without surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. * Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. * Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. * Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. * Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. * You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. * Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. * With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. * *

THE SPIRIT OF '76

Make way for us; here we come.
We're the future - America's young.
Don't criticize or mock our youth;
Just like you, we search for truth.
Hypocrisies won't get us down;
We will strike where these abound.
There's much to do; we're needed here,
To help preserve what men hold dear.

We'll work with others hand-in-hand,
To try to keep our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room; let us by.
The youth of America have arrived.
There's nothing wrong that we can't fix.
We're the Spirit of '76.

★★★ BUS DRIVERS ★★★

The Annual Staff is dedicating this page to our faithful bus drivers who are responsible for getting a certain percent of the students at Apex to school on time. Sometimes they feel they can't last any longer, but they still put up with the spitballs, paperwads, noise, and students! With a never-ending patience they pull things together and carry on.

Rosa Hinton and Lynn Thompson are the Sophomore Miss Epilogue Representatives.

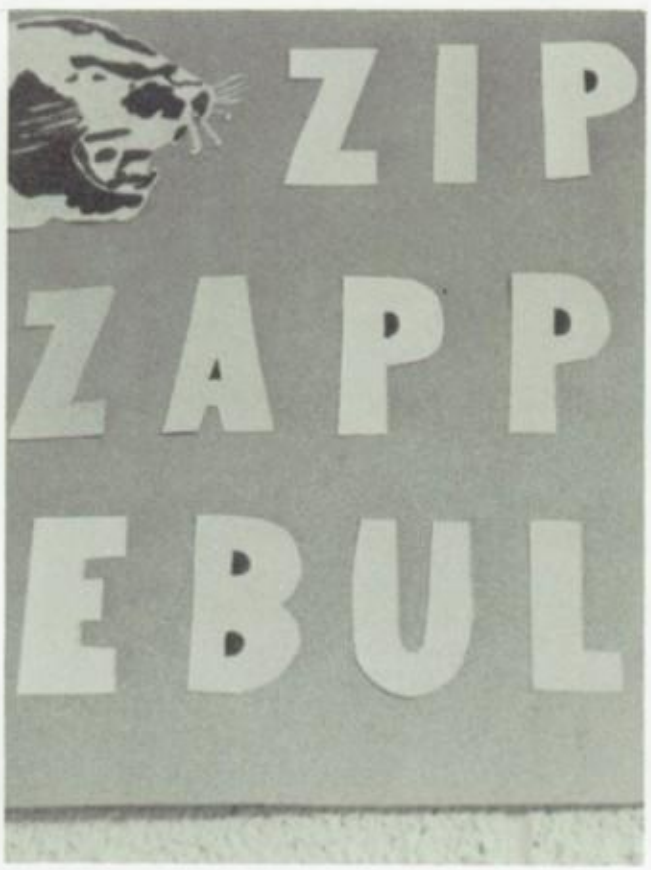
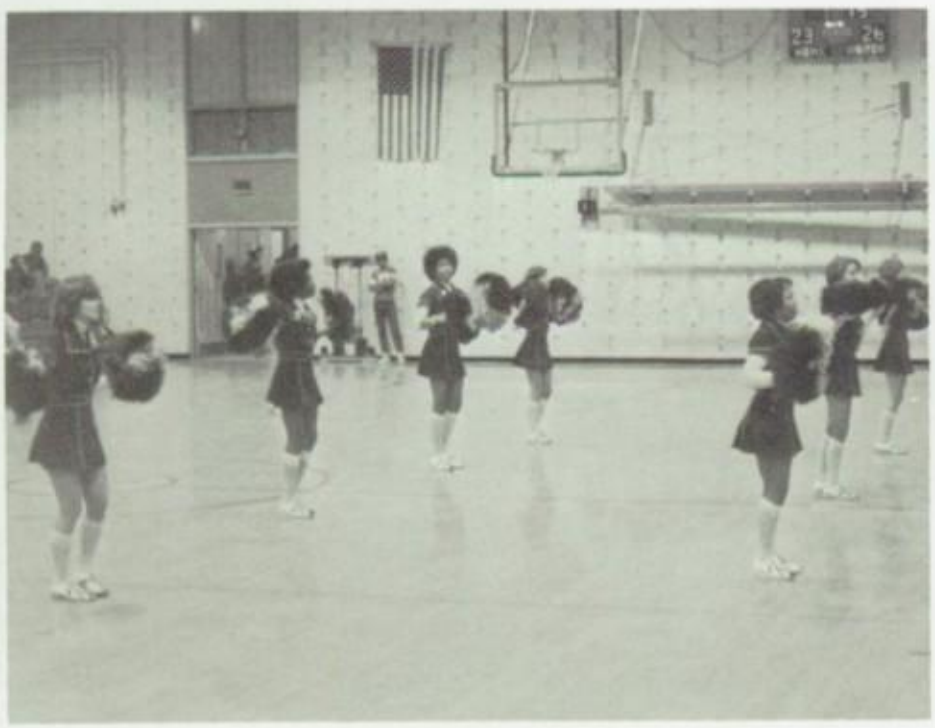
NO. 9 SPIRIT WEEK



Spirit Week was four busy days for all. Visitors to Apex High would have been rather surprised to see boys carrying books for girls, students dressed like "The Fonze," and clean homerooms! It was a fun week, and really boosted the football players' spirits. It was male against female Monday on Sadie Hawkins Day. Many participated and few boys were not caught. There may have been some secret negociations before the starting signal. Tuesday, students participated in cleaning their homerooms. Mrs. Cooke's homeroom was judged the winner. There were girls in midis and guys with slicked back hair as the 50's Day rolled around on Wednesday. Lee Holland and Betsy Harward were voted the best dressed.

The hall decorating and pep rally concluded spirit week. Juniors won first prize for the decorating. The cheerleaders out-did themselves in the pep rally. During the rally, a Mr. Kool contest was held and Joe Woodell got a pie in the face when the crowd reached their loudest cheering. A Powder Puff football game was also held in connection with Spirit Week. The Senior and Sophomore girls won over the Junior and Freshmen girls. During halftime, a Mr. Homecoming contest was held. Ricky Olive, escorted by Melanye Pollard, was crowned Mr. Homecoming. Congratulations, Ricky!

NO. ☆8 PEP RALLIES



NO. 7 HOMECOMING

Homecoming was another exciting night for all. Spirits were high and tension was great. The court of beautiful ladies was a sight to see. The court and their escorts consisted of: Angela Gaddy and Ricky Bullock, Melanye Pollard and David Goodwin, Rosie Jeffries and Michael Bullock, Lori Barrick and Donny Olive, Rosa Hinton and Danny Horton, Sarah Ann Pearson and Sutton Hack, Cynthia Byrd and Leon Byrd, and Carol Woodell and Wayne Rives. Lori Barrick was crowned Homecoming Queen for '75-'76. Congratulations, girls!

NO. ☆ New High School

"We're moving to the new school." Sound familiar? Well, we only heard that in September, October, November, December, January . . . Anyway, it's a beautiful school and all of us are looking forward to getting settled.

NO. 5 Drama

Lights . . . Camera . . . ACTION! Mr. Frye worked again this year with the drama class. Each of his classes performed on stage in front of a live audience — US! We witnessed everything from murder mysteries to tender love scenes. Cindy Tipton and Clifton Marrow did make such a cute couple, and Leonard Blount, did you have anything on under that bedspread? We're expecting a Broadway hit soon so get busy.

The Student Council is a busy and helpful group at Apex High. Throughout the year they sponsor many various activities to help the school and to promote school spirit. This year, among other things, the Student Council has made morning announcements, provided workers at the ballgames, introduced Jr. Achievement to the students, put up a Christmas tree, held spirit week, showed movies, held a banana eating contest, a talent show, sponsered homecoming, post-secondary day and career day, and are attending conferences to make the council more helpful to the school. Pictured below are two conference delegates — Carolyn Taylor and Tina Bailey. As a fund raising project they had a light bulb sale. This money helps pay for college scholarships given by the group. The Student Council, as you can see, works hard for the school. What would we do without them?!!!!!!

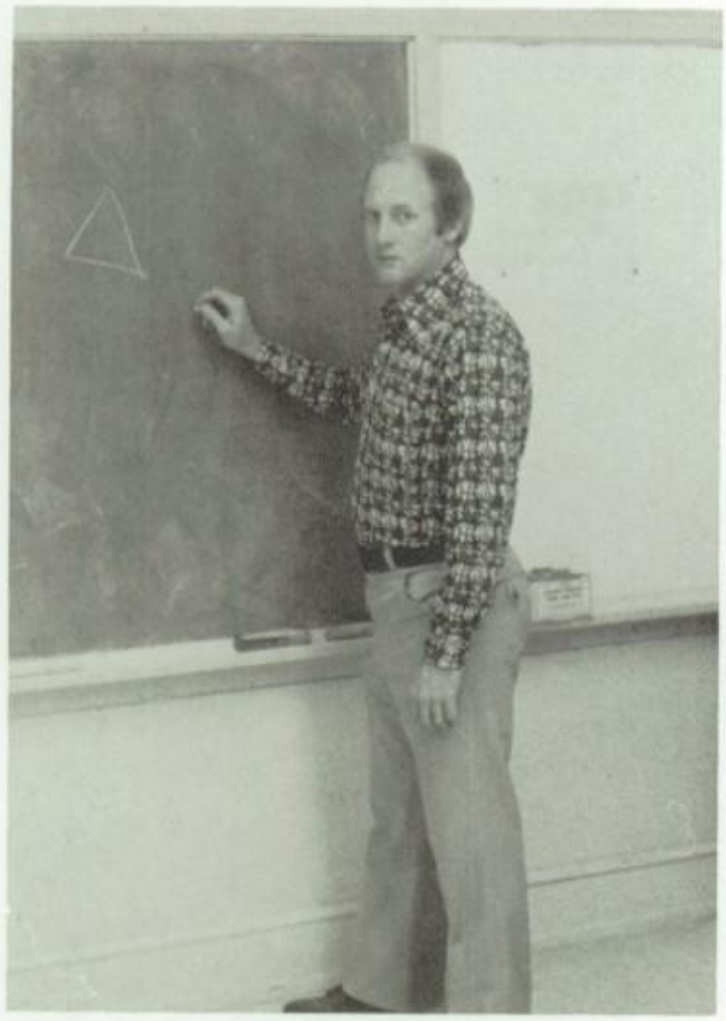
APEX HIGH SCHOOL

THEY MADE THEM



Coach Mac Allen — Athletics teach humility . . . you learn to respect and appreciate your fellow man and what he can do for you, and not take yourself so seriously.

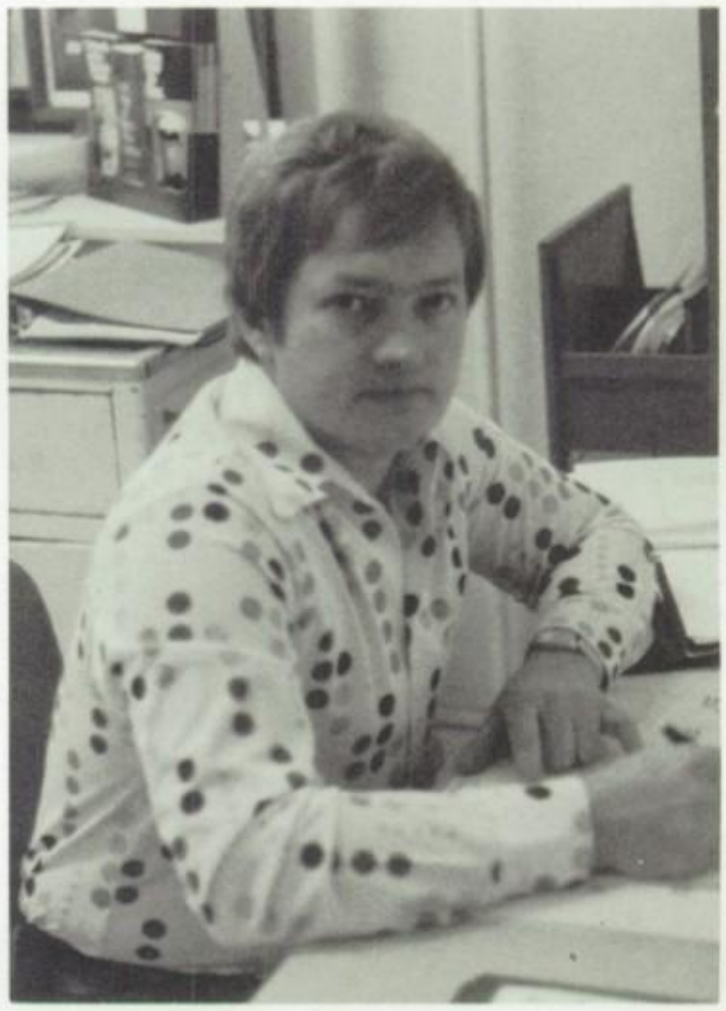
Coach Lorraine Rollins — Athletics involve the molding of the body, mentally, spiritually, and physically toward a common goal. Thru this molding process the importance of striving for his/her best to meet worthwhile goals and expectations. Thus the ideals of lifetime worth are instilled in each individual that reaches out to athletics as a way for self-fulfillment.

Coach Morris Andrews — Athletes carry the normal academic load. They use what could be their own spare time in trying to improve themselves, and the burden of winning and losing is on their shoulders. "These students are special."

WHAT THEY ARE!

Coach Ben Dillon — Junior Varsity Football

Coach Bruce Worley — Athletics are very special and take a special talent. You cannot be an athlete and a holdout, you must invest 100% in all forms of competition in order to achieve the highest of which you are capable. "Throw your desire over the bar and your body will follow."



Coach Eddie Adams — Athletics — an integral part of school functions — a program of tradition and pride — trade mark of the Cougars.

This year has been one that I will remember for many years to come. If given the chance to do it again, I would. The second time around, I would probably understand many of the things that I have been puzzled by this year. Some things would be done differently.

I would like to thank all of the people who have helped me outside of class. Thanks to Mrs. Lupo for loaning us her tape, Mrs. Cash for her ink pens, typing paper and carbons, and all of the other teachers who were so tolerant when we continued to interrupt their classes for snapshots and for letting us use their students when they should have been working. Thanks to Tommy Babb for taking all of the pictures that our photographers could not take. I also want to thank my family for putting up with me and all of my mess even when I thought I would explode. Thanks especially to my mother who could always think logically when I thought a deadline would not be met and for overlooking the kitchen and den when all that could be seen were copy sheets, layout sheets, and pictures. My biggest thanks go to the staff. They really did a fabulous job. Thanks go to everyone who had the initiative to ask "Is there anything I can do?" I want to thank all of the section editors and assistants. The staff members were in some good places and caught some of the better moments. I want to thank the staff for selling ads until they could quote the prices in their sleep. Last, but not least, I want to especially thank Mr. Jackson and Mrs. Williamson. Mr. Jackson would always agree with anything we wanted to do and that helped more than anyone will ever know. Without Mrs. Williamson I would have probably gone crazy. Even though she had to learn everything like most of the staff did she also kept the idle minds occupied with proofreading and other odd jobs.

I hope you will enjoy and cherish the memories of 1975 and 1976 as much as I will.

Jean

Rhonda,

Well, this is a great pleasure to sign this thing even though I don't know what to write cause I see you all the time. It's been a great year for both of us (Mighty Freshman). Remember all that fuss in Mrs. Grant's room? And those pests in 2nd period! And also when we drove Miss Rollins wild! I can't really put down all of the good times we've had cause it would be a book.

Dear Mr. Chandler,

Thank you very much for your letter of March 5th. I am very glad to hear that you are interested in my work and I would be delighted to show you my collection of Egyptian antiquities. Unfortunately, I am very busy at present and I am afraid that I shall not be able to see you before the end of March. I am leaving London on the 25th and I shall be away for about a month. I suggest that you call on me on April 1st at 11 o'clock. If this is not convenient please let me know and I will make another appointment.

Yours sincerely,

A. E. A. Chandler

Esq.

Rhonda,
We've known each other every since second grade. Now look how far we are. It seem impossible. But there's one thing for sure, I couldn't have a better friend.

Joan

Hi Rhondz,
I've been saying in the annuals I've signed I've said it seems like I've always known you so own and so own, but, I have always known you Rhondz. I mean think about. You don't talk much and your kind of small but I always know your there. Youve been a great classmate and I hope we can share a whole lot together in yedis to come, think about yeas to come when we grow up and get married and everyone moves away and we dig up our annuals and read through them. It's kind of scary.
